The 10,450,000 Class A Shares reported to be owned by Orion US LP were acquired in the open market for an aggregate consideration of \$93,219,263 (including brokerage commission). All such purchases of Class A Shares, as well as the costs associated with the Swap Agreements (as defined in Item 6 below), were funded from available liquidity, which includes a revolving syndicated credit facility to which affiliated entities of Orion US LP are parties. As capital is called from committed limited partner investors, such investment capital will be used to repay the revolving credit facility. The revolving credit facility has a stated maturity date of June 21, 2019, a total aggregate principal amount of \$1,200,000,000 and an effective interest rate tied to certain benchmark interest rates plus a margin of up to 1.5%.

The 625,000 Class A Shares reported to be owned by Brookfield Credit Opportunities LP were acquired in the open market for an aggregate consideration of \$5,234,437 (including brokerage commission). All such purchases of Class A Shares, as well as the costs associated with the Swap Agreements (as defined in Item 6 below), were funded by investment capital, which may, at any given time, include margin loans made by brokerage firms in the ordinary course of business.

### **Item 4. Purpose of Transaction.**

The Reporting Persons believe that the Issuer's equity represents an attractive investment opportunity and have acquired Class A Shares of the Issuer and entered into the Swap Agreements (as defined in Item 6 below) giving the Reporting Persons economic exposure to the Class A Shares of the Issuer. The aggregate economic exposure of the Reporting Persons to the Issuer, which consists of 11,075,000 Class A Shares beneficially owned by the Reporting Persons and economic exposure under the Swap Agreements described in Item 6 of 11,578,080 notional Class A Shares of the Issuer, is approximately 24.82% of the Issuer's currently outstanding Class A Shares. Certain of the Reporting Persons are also making efforts to acquire the shares of the Issuer beneficially owned by SunEdison, Inc. ("SUNE") as further described below, based on such Reporting Persons' belief that, in addition to being an attractive investment opportunity, the Issuer will require operating and financial sponsorship, which the Reporting Persons or their affiliates are capable of providing.

Certain of the Reporting Persons have contacted representatives of the Issuer and SUNE in the past regarding a potential acquisition of SUNE's shares in the Issuer and made private proposals to SUNE for the acquisition of such shares. No specific proposal by the Reporting Persons is currently pending. The Reporting Persons will continuously review their investment with respect to the Issuer and, depending on various factors, including the price of the Class A Shares; terms and conditions applicable to any potential transaction; the Issuer's financial condition, business, operations and prospects; the status of the SUNE bankruptcy proceedings; the liquidity and diversification objectives of the Reporting Persons; and such other factors that the Reporting Persons deem relevant at any time or from time to time, may increase their economic exposure to the Issuer; acquire other Class A Shares of the Issuer or other securities of the Issuer, including securities convertible or exchangeable for the Class A Shares of the Issuer (including but not limited to Class B Shares of the Issuer) from time to time on the open market, in privately negotiated transactions, directly from the Issuer or SUNE or by other means (including, without limitation, extraordinary corporate transactions such as a merger or tender offer) and may make public or private proposals relating to the acquisition of all or a portion of the outstanding equity of the Issuer that the Reporting Persons do not beneficially own, subject in all cases to required regulatory approvals, if any, and compliance with applicable laws.

Although the Reporting Persons have no specific plan or proposal to dispose of the Class A Shares, the Reporting Persons also may, at any time and from time to time, subject to compliance with regulatory requirements and applicable securities laws, terminate in whole or in part, their positions under the Swap Agreements and/or dispose of or distribute some or all of their Class A Shares or such other securities they own or may subsequently acquire, depending on various factors, including the price of the Class A Shares; terms and conditions applicable to any potential transaction; liquidity and diversification objectives of the Reporting Persons; the matters set forth in the preceding sentence; and such other factors that the Reporting Persons deem relevant at any time or from time to time.

The Reporting Persons may, to the extent they deem advisable in the circumstances, participate in and influence the affairs of the Issuer through the exercise of their voting rights with respect to the Class A Shares owned by the Reporting Persons.

The Reporting Persons may engage in, or continue to engage in, as the case may be, communications with one or more security holders of the Issuer and/or SUNE; one or more officers of the Issuer and/or SUNE; one or more members of the Board of Directors of the Issuer and/or SUNE; one or more representatives of the Issuer and/or SUNE, including advisors and representatives of SUNE and its security holders engaged in SUNE's bankruptcy-related proceedings; including but not limited to in relation to the status of any potential sale of SUNE's interest in the Issuer; the Reporting Persons acting as a stalking horse bidder in a court-supervised sale of SUNE's shares of the Issuer; the Issuer's financial condition, business, operations and prospects; and the composition of the Board of Directors of the Issuer.

The Reporting Persons may discuss ideas that, if effected, may result in any of the following: the termination, in whole or in part, of their positions under the Swap Agreements; the acquisition by persons of additional Class A Shares or the disposition of Class A Shares held by the Reporting Persons or other persons; the acquisition of other securities of the Issuer by the Reporting Persons or other persons; an extraordinary corporate transaction involving the Issuer; and/or changes in the Board of Directors or management of the Issuer.

Except to the extent that the foregoing may be deemed a plan or proposal, the Reporting Persons have no present plans or proposals which relate to or could result in, any of the matters referred to in paragraphs (a) through (j), inclusive of the instructions to Item 4 of Schedule 13D. The Reporting Persons may, at any time and from time to time, review or reconsider their position and/or change their purpose and/or formulate plans or proposals with respect thereto and carry out any of the actions or transactions referred to in paragraphs (a) through (j), inclusive, of the instructions to Item 4 of Schedule 13D, to the extent deemed advisable by the Reporting Persons.

#### **Item 5. Interest in Securities of the Issuer.**
